

After-School and Summer Programs Policy - (approved 3/25/2014, revised 9/17/18)

Pioneer Springs Community School (PSCS) offers After-School and Summer Programs as a way to provide additional opportunities for the student community to grow and learn in a safe and engaging environment. Each year, based on need, feasibility, staff availability, and associated costs, the PSCS administration will determine what after-school and/or summer programs to offer the student community.

Upcoming program offerings, schedule and registration details, as well as the cost to attend will be communicated to families by email, website, and social media.

For both after-school and summer programs, all applicable PSCS policies should be acknowledged and followed.
