

# Wellness Policy

*(approved 2/13/17)*

If a teacher notices a child is not feeling well and is unable to participate in class activities, the school will contact the parent/guardian or emergency contact.

The parent/guardian or emergency contact will adhere to the teacher's recommendation as to whether a student can remain in the classroom, or will need to return home.

A student must be free from fever and symptoms before returning to school after an illness.
