

Fall Call To Adventure

Dear Seventh Grade Parent,

The Seventh Grade Fall Call to Adventure will be here soon. On October 8, we will be boarding a bus and traveling to the Tailrace Marina on Lake Wylie to participate in a service learning project with the Catawba Riverkeepers. Students will learn about human impact on our local watersheds. They will then have the opportunity to experience a kayaking river cleanup removing litter from this extremely valuable natural resource. **All students need to bring a lunch and water bottle!**

The field trip is paid for by your child's adventure fee. **Students attending the Fall Call to Adventure Trips must have a minimum payment of \$50 submitted no later than September 20, 2019.** The final adventure fee payment will be due no later than March 1, 2020 for students attending the Spring Into the Woods Expedition. If there is financial need or special circumstances, please feel free to contact Mr. Chris.

Seventh Grade will need 4 Chaperones. Parent chaperones must have attended the PSCS volunteer training. Please indicate your interest in chaperoning on the form below. Your child's teacher will contact you if you have been selected as a chaperone. All chaperones will be responsible for transportation to and from the location.

Please return the permission slip below to your child's teacher by Friday, September 13.

Sincerely,

Chris Simeral
Nature Education Coordinator
