

# THE COOP SCOOP

## Welcome Mr. Daniel, PSCS Dance Instructor!

Daniel Lung is very excited to be the newest teacher to join the already amazing group of connect teachers serving Kindergarten through 5th grade. As a graduate of East Carolina University with a BFA in Dance Education, Daniel emphasizes skills that enhance both students' educational and personal life journeys. The versatility of dance can bridge many disciplines and cultures with music, connections and physical movements. Dance provides a modality for some students to more easily understand and integrate biology, nature, history, art and math. For example, Daniel has already partnered with fourth-grade teacher Ms. G on a poetry collaboration.

Students will be learning how dance composition and poetry composition are very similar in phrasing and repetition. Being able to "connect" literature and dance will not only help with the retention of concepts but also a better understanding of how to use them effectively. Daniel is very excited about the possibility of expanding the dance program as well as the after school offerings once we return to campus. Dance has been a big influence in

Daniel's life. He shared that dance has allowed him to cope with life's challenges, when words were not the solution. Daniel practices a life of expressing joy

through dance and tapping into the language of our souls even in times of sadness and turmoil. Daniel said he "cannot wait to see all that is possible with the phenomenal students and staff at Pioneer Springs!"

## Open Enrollment for 21/22

Open Enrollment for the 2021/22 school year is officially open! Open enrollment will continue through February 28, 2021 at 11:45pm. Our lottery will be held at 4:30pm on Tuesday, March 23rd at 9300 Bob Beatty Road. If you have a student that is not enrolled, enroll for next year now! You do not need to complete an application for students currently enrolled at PSCS. If you are a current PSCS family and are looking to secure a potential seat with sibling priority please use the same registration and answer the questions accordingly. [Click here to be taken to our website's enrollment page.](#)

## Campus Update

Check out this clip of our new Low Ropes and Adventure Play Elements at the Croft Schoolhouse and Davis House!

Randolph has been working hard to develop our campus to support outdoor learning and adventure play.
