

THE COOP SCOOP

Science Olympiad

We are looking for Science Olympiad coaches to help prepare our students for Science Olympiad tournaments. No experience is necessary. All materials are provided. You would need to be willing to devote about 45 minutes a week, either before or after school to help train a team of PSCS students for competition (dates to be announced). Coaches will work with elementary, middle school or high school for approximately 15-20 weeks.

What is Science Olympiad?

Science Olympiad is an international non-profit organization devoted to improving the quality of science education, increasing student interest in science and providing recognition for outstanding achievement in science education for students.. Science Olympiad tournaments are rigorous academic interscholastic competitions that consist of a series of team events, which students prepare for during the year. These challenging and motivational events are well balanced between the various science disciplines of biology, earth science, chemistry, physics and technology. There is also a balance between events requiring knowledge of science concepts, process skills and science applications.

Carpool

Bob Beatty Public Traffic: Please note that while our carpool procedures make Bob Beatty Rd. a one-way street, we need our families to honor the road is open to public traffic and necessitates us staying in the right lane of our traffic flow and not in the middle of the road, blocking any oncoming traffic to the General Store..including Silas Davis!

Carpool authorization updates: Please contact Lynn(at studentrecords@pioneersprings.org) in student records directly with your student's name, grade level, authorized person's first and last name, relationship to your family and best contact number.

Know an RN?

Pioneer Springs is seeking an RN to serve on campus for the duration of this year. If you or someone you know might be interested please contact Becky at bfriend@pioneersprings.org

Attendance

Our 1st 20 days in session are SO VERY important to our funding, creating community and establishing classroom and campus-wide expectations; please do your very best to ensure your family honors this expectation to be in attendance.

Remembering Naughty

From the beginning, Pioneer Springs has been home to chickens. None more notorious than Naughty. Naughty lived in the Croft Coop, and was given her name by students who are now in 10th grade. A then 2nd grade Grey was eating her lunch at the picnic table with her classmates when a chicken, yet to be given her name, came to the table and stole her sandwich. Henceforth to be known by the name Naughty. She recently passed on to what we can only hope is a next life full of sandwiches.

The 4th grade students in Ms.Margaret's class created a memorial for Naughty in the Croft stairway.

Where's the sign?

Some of you may have noticed our iconic Historic Croft School House sign is missing. Don't worry, it's being refreshed for a new life. As part of last year's school bond, a comprehensive signage plan was created and is currently in the works! New signage will be installed to identify each of our buildings, except for the Croft School House, where we will reuse our very special, restored Croft sign.
