

Drop-Off/Pick-Up (approved 2/4/14, revised 9/17/18)

The safety of students, staff, and families is the top priority of the PSCS Drop-Off/Pick-up Policy. In addition, the school must comply with all NCDOT requirements regarding traffic flow and timing. Drivers should adhere to the scheduled drop-off/pick-up times assigned for their student's grade level, and drive with extreme caution at all times. Cell phone/mobile device use by drivers in the car line is prohibited. Drivers should remain in their vehicles at all times. Students should not be dropped off unattended, and should only be dropped off when a designated staff member is present outside.

Specific times and details will be reviewed and updated as needed annually. Specific procedures shall be provided to parent/guardians prior to the start of the school year, and posted on the school's website. Any changes during the school year will be communicated promptly to parents/guardians.
